

## Lost friend from RAF Siggiewi.

Senior Air Craftsman, Keith Newton (Mush), Royal Air Force, Telegraph Mechanic, stationed at Royal Air Force Siggiewi around 1962 to 1964.

Worked in the 5 Unit (Teleprinter) workshops. Best mate of SAC Pete Kelly.

The following photograph was taken in the winning Billet Bar, Christmas 1963. Those in the photo, from left to right:-

SAC Allen Hartland (Moon), Jnr Tech Keith Cranton (Grunch), SAC Mick Arthur, SAC Keith Newton, and SAC Tony Davies.

Both myself, and a mutual friend, Jnr Tech Gordon Milsom (Taff, Rip Van Winkle), would like to re-establish contact. If you should like to renew the acquaintance, I can be contacted by email:-
