

Re – Lost friend

Do you recognize this person?

Photo taken in October 1965

Senior Air Craftsman, Lino Sammut, Royal Air Force Malta, Telegraph Mechanic, stationed at Royal Air Force Siggiewi around 1963 to 1965 and beyond. Best man at the wedding of Junior Technician Gordon Milsom (Taff or Rip Van Winkle) to Dolores Vella of Fgura, in October 1965. Friendly with SAC Michael (Lulu) Camilleri and SAC Joe Porter. The latter emigrated to Canada just before the wedding.

Last known living in Valletta around 1977. I think it may have been Triq Sant Orsla, or Triq San Pawl. House on the right hand side, as one walks from the Upper Barracca Gardens end.

Both myself, and a mutual friend, SAC Allen Hartland (Moon), would really like to re-establish contact. If you should have any information that may help, I can be contacted by email:-
