**Do you recognize this person?**

Photo taken October 1965

Senior Air Craftsman, Michael Camilleri (Lulu), Royal Air Force Malta, Telegraph Mechanic, stationed at Royal Air Force Siggiewi around 1963 to 1965 and beyond. A guest at the wedding of Junior Technician Gordon Milsom (Taff or Rip Van Winkle) to Dolores (Doris) Vella of Fgura in October 1965. Used to make wonderful toast on the workshop paraffin (kerosene) heater, and loan me his car, in exchange for standing in for him as duty mechanic. Friendly with SAC Lino Sammut and SAC Joe Porter

Both I, and SAC Allen Hartland (Moon), would like to re-establish contact.

If you have any information that may help, I can be contacted by email:-
